

NOTES OF MEETING

Meeting Date/Time : 12 September 2016, 2:30pm – 3:30pm
Place : Central Community Liaison Centre (CCLC) (Man Yiu Street)

Project : Central – Wan Chai Bypass and Island Eastern Corridor Link (CWB) –
Central Interchange (Contract no. HY/2009/18) and Tunnel Buildings, Systems and
Fittings, and Works associated with Tunnel Commissioning (Contract no. HY/2011/08)

Subject : Community Liaison Group (CLG) for Central District – Group A and Group B

Distribution : Highways Department (HyD), AECOM Asia Co. Ltd.(AECOM), Leighton (Asia) Ltd.
(LCAL), Leighton Joint Venture (LJV), Environmental Team (ET) and Independent
Environmental Checker (IEC), New World First Ferry Services Limited, Henderson Land
Development Company Limited (HLD)

Present: Mr. KUNG Wai Han, Engineer } Central - Wan Chai Bypass, HyD
Mr. YU Wai Ho, Project Coordinator }

Mr. Randy YU, SRE } AECOM, CWB
Mr. Elxsente CHAN, SRE }
Mr. Eric WONG, SRE }
Ms. Lydia LEE, SRE }
Ms. Remmy CHU, RE }

Mr. SO Chi Fung, SRE } AECOM

Mr. Hilary POON, Construction Manager } LJV
Mr. Jackie CHAN, Sub Agent }
Mr. Malcolm LEUNG, Senior Environmental Engineer }
Ms. Christy SO, Environmental Engineer }

Mr. Raymond DAI, Environmental Team Leader } Lam Geotechnics Ltd.
Mr. Alan LI, Environmental Team Representative }
Mr. CHAN Ka Chun, Environmental Team Representative }

Mr. TSANG Fan Cheong, IEC } Ramboll Environ Hong Kong Limited

Ms. Teresa CHAN, SPRO } CWB Public Relations Team
Ms. Candace HSU, PRO }

Representatives from relevant stakeholders

(Group A)

Ms. Pauline PANG } New World First Ferry Services Limited
Mr. Ryan LEE }

(Group B)

Mr. Gilman WAN } Henderson Land Development Company
Limited

<u>NO.</u>	<u>ITEM</u>	<u>ACTION</u>
1	Introduction	
1.1	AECOM welcomed all Members attending the meeting.	Noted
2	Confirmation of Notes of Last Meeting	
2.1	No amendment to the minutes of the last meeting was received and it was confirmed as a true record.	Noted
3	Project Overview	
3.1	<u>HY/2009/18 - Central Interchange</u> AECOM briefed Members on the scope of works of Contract No. HY/2009/18 - Central Interchange (CI). The major works of CI included the construction of a 220m tunnel section at the west portal in Central, the construction of an approach road to the tunnel, and the construction of the eastbound and westbound carriageway for the Rumsey Street Flyover Extension.	Noted
3.1.1	Construction activities carried out over the past six months under CI included: <ul style="list-style-type: none"> a. Yiu Sing Street westbound was opened on 14 May 2016; b. Construction of at-grade roads connecting to the west tunnel portal, including road drainage; c. Road works connecting Man Kat Street and approach ramp; d. Construction of elevated lay-by on the flyover; e. Modification of sign gantries at existing Connaught Road Flyover (eastbound); and f. Drainage, road works and landscape works. 	Noted
3.1.2	Construction activities to be carried out in the coming six months included: <ul style="list-style-type: none"> a. Constructing the remaining drainage and road works at the tunnel approach ramp; b. Road works connecting Man Kat Street and tunnel approach ramp; c. Modification of sign gantries at existing Connaught Road Flyover (eastbound); and d. Drainage, road works and landscape works. 	Noted
3.2	<u>HY/2011/08 - Tunnel Buildings, Systems and Fittings, and Works associated with Tunnel Commissioning</u> AECOM briefed Members on the scope of the works of Contract No. HY/2011/08 - Tunnel Buildings, Systems and Fittings, and Works associated with Tunnel Commissioning (CC). The major works of CC in Central district included the construction of tunnel buildings (West Ventilation Building, Satellite Control Building and Satellite Control Points), tunnel cladding and pavement, installation of electrical and mechanical systems and traffic control and surveillance system and works associated with CWB tunnel commissioning.	Noted
3.2.1	Construction activities carried out over the past six months under CC included: <ul style="list-style-type: none"> a. Construction of West Ventilation Building superstructure; b. Installation of brackets for tunnel cladding and electrical and mechanical (E&M) systems inside the tunnel; and c. Carrying out detailed designs, manufacturing and conducting tests for various tunnel systems including air purification system, systems and fittings for tunnel and tunnel buildings and traffic control and surveillance system; 	Noted

- 3.2.2 Construction activities to be carried out in the coming six months included:
- a. Architectural builders works and finishes, E&M installation and metal roof erection at West Ventilation Building; Noted
 - b. Installation of brackets for tunnel cladding and electrical and mechanical (E&M) systems inside the tunnel; and
 - c. Carrying out detailed designs, manufacturing and conducting tests for various tunnel systems including air purification system, systems and fittings for tunnel and tunnel buildings as well as traffic control and surveillance system;

4 Introduction to the Temporary Traffic Arrangement (TTA) Schemes

- 4.1 AECOM briefed Members on the current TTA schemes and those in the coming six months: Noted
- a. Current TTA schemes
The original traffic arrangement at Finance Street, Man Po Street and Man Yiu Street had resumed in mid-2015. Yiu Sing Street westbound was opened on 14 May 2016.
 - b. TTA schemes in the coming six months
No major TTA in the coming six months.

5 Environmental Monitoring and Audit Works

- 5.1 ET reported to Members on the environmental monitoring and audit work carried out over the past six months, as well as the locations of the monitoring stations near the construction site as below. Noted
- i) Noise monitoring stations
 - Eastern Wing of IFC
 - Western Wing of IFC
 - City Hall
 - ii) Air quality monitoring stations
 - Eastern end of the podium of IFC
 - Western end of the podium of IFC

- 5.2 ET reported that according to the air quality monitoring results and noise monitoring results from March 2016 to August 2016, no exceedance of both air quality monitoring and noise monitoring was recorded. Noted

ET concluded that the construction works had progressed in compliance with the environmental requirement. Noted

6 Site Environmental Issues

- 6.1 AECOM explained the mitigation measures implemented by the contractors including: Noted
- a. Adopting noise mitigation measures on sites;
 - b. Dust monitoring as air pollution control measures from time to time;
 - c. Frequent road washing to avoid dust emission;
 - d. Covering dusty materials with tarpaulin for dust suppression;
 - e. Reusing old concrete blocks for hoarding erection; and
 - f. Performing regular pest control and site cleaning to prevent mosquito breeding.

7 Introduction to the Project Team's Contacts

- 7.1 AECOM drew Members' attention to the various communication channels, which included 24-hour hotline (2512 6233), email (enquiry@cwb-hyd.hk), project website (www.cwb-hyd.hk) and Community Liaison Centres. Noted

8 Q & A

- 8.1 As regards the presentation and report by the project team, members raised no question. Noted

9 Conclusion

- 9.1 The next meeting would be held about six months later. Noted

The meeting was adjourned at around 3:30pm.

- End of Notes -
